Kaitlyn's Purple Ribbons

You can't drive anywhere in Corona without noticing all of the Purple Ribbons up and down our streets. These Purple Ribbons are there to remind us about the dangers of leaving our kids in the car, even for a second.

August is one of our hottest months and especially dangerous! It is never safe to leave your kids in the car for any reason, even "just for a second" to run back into the house, pick up the dry-cleaning, or any other "quick" errand. In many cases it is illegal to leave your kids in the car thanks to the efforts of "Kaitlyn's Law" and the good people at www.4rkidssake.org.

You see Kaitlyn, the cute little angel at the top of this page, was left in a car in August 2000 by her babysitter. Since then Laura Petersen and Kaitlyn's mother, Tammy Russell have worked to remind us of the dangers of leaving a child in a car.

As you drive through Corona and see those Purple Ribbons take a moment to remember Kaitlyn and how "Kaitlyn's Law" will live on to save others. We would encourage you to visit their web site at www.4rkidssake.org for many facts on the steps you can take to help protect your child.
