# Never Leave a Child Unattended in or Around a Vehicle!

*In our fast paced society, saving even a second may sound appealing.*

*Have you ever left a child alone in a car for "just a minute" while you ran in to drop off dry cleaning or a video, to pick up a package or a gallon of milk? Many people have done it, but in that minute a tragedy can occur.*

*Have you ever thought of how long it will take in a hospital emergency room — **hours**; planning a child's funeral — **days**; recovering from the loss of your child — **a lifetime!***

**We thank you for your support!**
